FOOD FOR THOUGHT

Planning your big day can be time consuming; that's why we offer a range of packages to help you. If you'd like a more traditional wedding, with reception drinks, a three course wedding breakfast and wine with your meal then our all inclusive package is perfect for you. Alternatively we can offer room hire with a choice of starters, mains and desserts for you to pick your ideal combination. If any of your guests have specific dietary requirements, our chef will be pleased to present alternative dishes to suit.

If you're looking for those extra touches to add some sparkle to your day, maybe canapes on arrival, a cheese platter to round of the meal or decorations on your desserts we can help – whatever you have in mind!

We have a range of drinks packages to compliment any meal or celebration. Pimms on arrival, wine with your meal, bubbly to toast the happy couple – simply let us know what you'd like and we can arrange a package to suit you. Once you have narrowed down your choices for your big day we can arrange for you both to join us for a tasting where you can get a real flavour for the food and drink that will be served to you and your guests.
